

## **WEEDS: a What, When, Why and How field day for landholders**

*Do you want to find out all about **weeds in your area**—including new weed legislation, priority weeds and their identification and control? Well this field day is for you...*

- WHEN: 21 March 2017, 9:30am — 12:30pm  
WHERE: Warri Camping Reserve on the banks of the Shoalhaven River  
Kings Highway, between Bungendore and Braidwood.  
WHO: Presented by Weeds Project officers from Queanbeyan Palerang Regional Council  
COST: FREE  
RSVP: 20 March 2017—for catering purposes

Come along to talk about weed management and find out more about how to identify and control weeds on your property and where to go for more information.

This field day aims to help you understand your responsibilities under legislation and give you the best information on how and where to focus your weed control efforts for the best results. There will also be time to ask the burning questions you have about weeds on your property — and you can bring along any weeds you need help to identify (in a plastic bag, kept in the fridge for preservation).

Please contact Upper Shoalhaven Landcare Council to rsvp and book your place.

Bring your water bottle, work boots, hat and sunscreen.

**TEA, COFFEE AND REFRESHMENTS PROVIDED!!**
