

Seasonal Update – Braidwood

Friday, 17 October 2014

Join sheep and cattle producers for a FREE information session about seasonal issues and opportunities in spring/early summer in your local area, including:

- ✓ **Livestock and pest animal update** – what issues do you need to keep an eye on?
- ✓ **Seasonal outlook** – where is the season going, and what does this mean in terms of pasture/ livestock management?

Also, are your legumes fixing nitrogen effectively? The update will include a **legume health check and plant identification** session (optional).

Presenters will include:

- ✓ Bob Templeton: District Veterinarian
- ✓ Phil McGrath: Senior Biosecurity Officer
- ✓ Luke Pope: Senior Land Services Officer, Pastures
- ✓ Matthew Lieschke: Senior Land Services Officer, Livestock
